Others: Front Design, Git and GitHub, Postman, Insomnia.

Projects

TeaPoz - Online Tea Marketplace

JavaScript, React.js, Tailwind CSS, Redux, Router dom, React icons, npm

teapoz.vercel.app

Developed a modern e-commerce platform for tea enthusiasts, offering seamless browsing, product selection, and purchasing capabilities.

- Designed and developed an e-commerce platform for tea products using React.js and Tailwind CSS.
- Built a shopping cart system with dynamic price calculations and user-friendly navigation.
- Ensured smooth navigation using React Router and efficient state management with Redux.

MsgApp - Messaging Web Application

JavaScript, React.js, Firebase, Tailwind CSS, Redux, Router dom, npm

msg-app-psi.vercel.app

Developed a fully functional real-time messaging application with a user-friendly interface, responsive design, and efficient back-end architecture.

- Implemented a dynamic UI using React.js, Tailwind CSS, and React Icons.
- Built a secure authentication system using Firebase for sign-in, sign-up, and session management.
- Built a real-time messaging platform with React.js and Tailwind CSS, deployed via Vercel.

NEWSPAPER

JavaScript, React.js, Tailwind CSS, Props, api connecting, npm

news-paper-one.vercel.app

Developed a responsive news aggregation platform, providing users with a clean interface to browse and read the latest news articles.

- Designed and implemented a user-friendly interface for seamless browsing and reading of news articles using React.js and CSS.
- Integrated dynamic content loading to ensure efficient rendering and quick access to the latest articles.
- Continuously improved site functionality based on user feedback, including plans for categorization and search features.

FrontEnd_Test_Task – E-Commerce Product cart

HTML, CSS, Vanilla JavaScript

front-end-test-task-6ao1.vercel.app/

Developed a fully functional e-commerce product cart.

- Implemented vanilla JavaScript for functionality, design and stacker working by html and css.
- Built a full functionality for e-commerce product cart and add cart option, deployed via Vercel.
